I certify that I have carefully examined Levi Jordan of
Company K (K) and find him suffering from disease
of the spine (Sciatica) of long standing. A callus
on the lower back having formed externally causes to
the disease bone causes considerable enlargement
of the bone and after exercise on horseback he suffers
from almost complete paralysis of the lower leg owing
to the injury the nerves have sustained. In my
opinion he is incapable of performing the duties of a
soldier

Sir.

I have the honor to state that in addition to my duties as Commandant of Camp Hudson I also act as a Q. M. and S. M. of that Post. In the execution of the Post there is a great quantity of subsistence and other stores which I have transferred to the S. M. and for which I am still responsible. My Comphance with the order of the S. M. has been in person and one from Fort Snelling, ordering the disposal of these stores. My daily attendance here prevents me from making my Report, and accordingly I also state that the death of my wife in July last while I was on duty at Hudson, and that no opportunity was afforded me to visit my home to arrange my private affairs, which is a very deranged and unsettled situation. I would therefore submit my application for leave, and the time required to and adjust the matters at home. I further request that you will submit this application to the General Commanding at your earliest convenience.

I have the honor to be,

Very Respectfully Yours Obedt.

51 A. Lophansen private of Capt. J. M. Carlans, Company. Woods Regt.
Dep. Cor. duly sworn.

By Judge Advocate.

Q. Are you acquainted with the accused, if so, what is rank, & what company is he attached to?

A. I am acquainted with the accused, he is a Lieutenant in Capt. Carlans' Company.

Q. Were you ever with the accused at the residence of one named Shudy or Shudy, if so, state where he lives, and state where were you there, and all about it?

A. Yes, sir, I was. His name is Shudy, I was there with accused, he lives on Rio Pinto, seven miles beyond Fort Clark. I was there on an escort with Lieut. M. Donald, it was about three months ago, I think in July last. I went to the Rio Pinto on an escort with the accused, and arrived at the house of Shudy & the accused asked for some eggs. Shudy told him he had none, accused told him he must see if he had some, for accused wanted some, and he would pay him in what pay he wanted, in powder or lead or money. Shudy's wife spoke from the bed, and said she had about half a dozen, and she would get them. Shudy brought out the eggs and accused paid them there to make some egg nog. Accused paid for the eggs. Accused asked what kind he wanted, powder or lead or money. And Shudy said he had better take money and that he was paid already.

Q. What time of night was it, that accused came to Shudy's house, and what part of the house was he in, or near, did he demand or not?

A. It was about 10 or 11 o'clock at night. He got off his horse, and was in the gallery, and the ballance of the men were standing outside and he called to them.

Q. State what was the condition of accused at the time, was he drunk or sober, and in what tone of voice did he address did he address Shudy, and what was his manner towards him, was it civil, mild, polite, or the contrary, answer fully?

upon the counsel for accused, B. W. Person Esq. objected to this question in words as follows, viz:

"Accused objects to asking witness whether he was drunk or sober, there is no charge of drunkenness against him. And he objects to asking the witness whether his manner was civil, mild & polite or the contrary, as leading & suggesting the answer desired."

Whereupon the Court was cleared for deliberation, and, after minutely considering the question at issue, the Court decided that the question should be asked.

The accused was drunk at the time, he was not very polite, I don't think it was very polite to come in and ask for eggs, and say he must have them, when refused, and his voice was loud.

If you say his manner was not polite, and that his voice was loud, now state in what way did he speak to Shudy? In what manner did he ask for the eggs, was it in the usual ordinary way, or not; and if not, in what did it differ?

He asked a little rough, when he asked for the eggs, and said he must have them.

If you say his manner was a little rough in addressing Mr. Shudy, state in what the roughness consisted? If you say in the words used, state what words were used, were any oaths or cursing used or not? If any were used, state what was said?

He said he must have some eggs, and asked for them again when he went in, I did not hear accused curse any.

Did he have any weapons on at the time, if so what weapons did he have on?

Accused had a six shooter on him at the time and it was loaded.

What hour did you leave Fort Clark?

About half an hour after dark.

Did you leave before or after you had supper?

After we had supper.

Did accused go into Shudy's house on that night, and state whether Shudy is a citizen or a soldier?

He went on the gallery, near the store, Shudy is a citizen.

State who else were present besides yourself, accused and Mrs. Shudy?

Mrs. Mrs. of Capt. Carothers Co. was also present - no one else.

Why did you offer to pay for the eggs that accused called for and eat, state fully your reasons, why did you not let accused pay for them himself, whose money paid for them?

I paid for them, I thought I would pay for them and then there would be no fuss. I had rather pay for them than there should be a fuss, my money paid for the eggs.

State all the facts leading you to think there would be a fuss if you did not pay for the eggs?

I don't know, except that Mr. Shudy was a citizen, and the accused was not sober, and I supposed if I did not pay for them there would be a fuss.

(Lieut. James Mills, a member of the General Court Martial being unwell, asked leave of the Court to retire, which was granted)

Cross Examined by Accused

Does not the accused generally speak in a loud tone of voice and is he not generally rather abrupt, or impulsive in his manner?

Yes, most always, and is quick in his manner.

Have you ever been at Shudy's house at any other time, before or since? If so, when and how many times, and who was present. I have been at Shudy's house four times, once before, and twice since. Several persons were present each time.

Why did the escort pass by Shudy's, where were you going? Were you not going to Camp Hudson under orders, and was not that the direct route?

The direct route to go from Fort Clark to Camp Hudson, and Shudy's house is on the direct route.

Did not the accused offer to pay Shudy for the eggs?

Yes, he offered to pay for them in powder or lead or money.

Q. Was that the only offer to pay he made?

A. Yes, Sir. He offered to pay for the eggs twice, as before, he made no other offer.

Q. Did not accused offer to pay Shudy, handing him out a bill to change, when Shudy said he could not change it? and then accused requested you to pay for the eggs, stating that he would pay you, when you got to Camp Hudson?

A. I paid for the eggs before ~~he~~ offered the second time, to pay for them, and accused then said he would ^{pay} witness when he got to Camp Hudson. I know nothing about accused handing Shudy any bill. The only bill I saw accused have was a hundred dollar bill which he offered to bet with Moore.

Q. What were your feelings towards the accused, - friendly or unfriendly, at the time of the purchase of the eggs, and have you kind feelings for the accused, since you were at Shudy's in July?

A. I was friendly with accused all the time, both before and since.

Q. Have you not been ~~conspiring~~ with others, to get accused out of the company?

A. No, Sir. I never had anything against him.

Q. Have you not previous to the egg affair, at Shudy's signed one or more petitions requesting, or for the purpose of getting accused to resign his office, of Lieutenant of the company?

A. Yes I signed one petition before the egg affair, and all the boys signed it. They said he was an abolitionist, and I did not want to serve under an abolitionist.

Q. Did you not sign another petition between Uvalde and Fort Clark?

A. No.

Q. Can you say you were friendly with accused all the time, were you friendly with him when you believed him to be an abolitionist?

A. I was not friendly with accused as long as I believed he was an abolitionist, but when the members of the company said they would not prove it, then I was friendly with him again.

Q. How long did your unfriendly feelings against the accused continue, and during what time?

A. Only a couple of days, and they fixed a time, and no body came up to prove it, and the affair died out. This was in four or five days after I joined the company, which was on the 15th May/60

Q. Did you not say, six or eight weeks ago, at the house of Shudy, in Shudy's presence, and in the presence of two members of your company that if some other man besides Moore had been along with you, you would have, or would have been apt to have killed St. M. Donald?

A. I did not say that, - but did say on the road before coming to Shudy, that if some ~~man~~ ^{officer} had been there besides Moore, when accused, a hundred dollars, saddle and bridle and horse to kill him, he would have been killed.

Q. Where were you when you signed the petition for accused to resign? When was it?

A. On the Salado. In May 1860.

Q. Who was present when accused made the offer to have himself killed? and where and when?

A. Moore was present, it was the same evening on the coast between the Pedro Pintos, and Fort Clark.

Q. What induced the accused to make the offer to have himself killed?

A. I don't know, except that he was mad and drunk, and he wanted to go down, his wife had died, and he could not get permission.

Q. What do you mean when you say accused was drunk?

A. He had some whisky, and could not ride good. - if you call that drunk?

Q. Were you not drunk, also? Had you not been drinking whisky?

A. No, Sir. ~~He~~ ^{COB} ^{DIV 812} ~~and~~ ^{and} had but one drink, and that was when we got to the Pedro Pintos.

Q. How many times were you ever talked to about swearing against accused?

A. None. ~~When he was~~ ^{COB} ^{DIV 812} ~~talked to me~~ ^{talked to me} about swearing against accused.

now many candidates were there for the office of the accused when he should be got out of the Company?

Ans. I don't know of any.

By the Court.

Please state how far Shady House is off the road?

Ans. About fifty steps, it is close on the road.

Ques. When he asked for the eggs, was it in the manner of a request or demand? that is, did he say he was hungry and wanted some eggs to eat, or, that he wanted eggs and would have them?

Ans. He did not say anything about eating the eggs, he said he wanted them to see.

Ques. If you had not paid for the eggs, what would have been the consequences?

Ans. I don't know, but expect the accused would have paid for them.

Ques. You have said that you paid for the eggs to prevent a fuss who would have made the fuss? If Lt. Mc. Donald, what did he do or say to make you so afraid of a fuss?

Ans. I paid for them, for I thought Lt. Mc. Donald was not sober, and I thought there might be a fuss, as Mrs. Shady was scared already, and I thought I had better pay for them.

Ques. Which did Lieut. Mc. Donald do first, offer the money, or powder and lead in payment for the eggs?

Ans. The powder and lead.

Ques. If Lieut. Mc. Donald was ready and willing to pay for the eggs why did you fear the difficulty you spoke of?

Ans. Because he was not sober, and did not offer to pay for the eggs before. I mean that there would be a fuss because accused had said before that he would pay in powder and lead.

Ques. You say the accused told Shady he would give him powder and lead, or money, for the eggs. State if the accused had powder and lead with him at the time, to trade, or did you understand him to mean that he would give Shady the contents of his six shooter, or money?

Q I did not know that he had powder and lead. I understood him to mean that he would ^{give} study the contents of his six shooter as he had no other powder and lead. I loaded the six shooter of the accused myself.

Q Were you present, and did you see and hear everything that the accused said or done from the time he went to the house, till he left it?

A Yes.

Q Did the accused draw his six shooter at any time while there, or make any threats?

A No, nor make any threats.

... a transfer called Theodore, and Cook, were present at the time, and also a Mexican called Ben. One of the men was talking about fresh meat, and killing a hog and getting fresh meat. Lieut. Mc. Donald told them they could do so, if they would destroy the marks and brands.

Q. State how many of the persons present, if any, were members of Capt. Barclay's Company?

A. All the persons present, that I mentioned, were members of Capt. Barclay's Co.

Q. What month did this happen in, and what year, and what were you all doing at the time the accused made the remark alluded to?

A. In the month of May 1862, and at the time we were eating breakfast together.

Q. State now fully and clearly what it was that Theodore said about the hogs, and state also what accused said and all the conversation that passed between them at the time?

A. Theodore said he believed he would go and kill a shoat, and have some fresh meat, and Lieut. Mc. Donald said he must hide the mark and brand.

Q. Did you hear any remarks at that camp, made by accused, about Confederate money, if so, what did he say about it, and when?

A. The same month, a man came there and talked about joining the Company, and Lieut. Mc. Donald said that the North would hold out ten years before they would give up, and he did not believe the damned Confederate Money was worth fighting for. The man remarked that he believed he would stand a draft before he would enlist.

Q. Who else were in hearing of the remark of accused, besides yourself, and the man that came there, — name the others?

A. I had been in camp only two days, when he made the remark, and those present were strangers to me, but not soldiers of the Company — there were no soldiers present.

Ques. Where was the remark about Confederate Money made, was it within the limits of the camp, or not? and if so, State if there were any soldiers in hearing at the time the remark was made, besides yourself, and State who was with you?

Ans. The remark was made in the camp, about 2 or 3 o'clock in the evening. I was sitting down at the foot of a tree, at the time, and soldiers were all lying around.

Ques. How far were the soldiers from accused who you state were lying around, - State what distance were they lying from accused?

Ans. They were not far off at the time, I do not know the precise distance, - I did not expect to be brought up as a witness in the case and did not notice particularly. I remarked ^{afterwards} ~~that day~~ to Capt. Cardan and the company that I did not wish to serve under such a man as Lieut. McDonald.

Ques. State about what distance off were the soldiers you say were near, - State whether or not they were near enough to hear the remark of the accused?

Ans. I supposed they were ten or fifteen feet from accused, they were lying down at the time, and near enough to hear it if they were awake.

Ques. What County is Camp Salado in?

Ans. It is in Texas County.

Cross Examined by Accused.

Ques. Where did you live, and what was your business before you joined Capt. Cardan's company, and what position do you occupy at present?

Ans. I was in Capt. Lotin's Co. before I joined Capt. Cardan's Co. and before that I was selling goods in Grimes Co., and before I was driving ~~the goods~~ I am now farmer in Capt. Cardan's Co.

Ques. When accused spoke of hiding the marks and brands, did he not speak in a jelling manner, and did you not so understand it at the time?

Ans. No, sir. I ~~did not~~ ^{did not} understand it so, at the time.

WAR DEPARTMENT

Q. Did the accused at the time of the conversation say to the
boy, "you must not kill any hogs, if you do, and I catch you
at it, I will punish you" or words to that effect?

A. Yes.

Q. Did you report this conversation about the killing of
the hogs?

A. I reported it to Capt. Barclay soon after we arrived at Fort Clark.
I think in the month of June.

Q. At whose request and why did you report the same?

A. Capt. Barclay spoke about killing hogs at Turkey Creek, and
I remarked that the soldiers were not so much to blame as
the officers, who put them up to it.

Q. Was not Private Brown also present at the hog conversation?

A. No, Sir. I don't think he was - he might have been, I don't recollect.

Q. What were your feelings toward the accused at the Salado
Camp, during the month of May, and what are your feelings
now, friendly or unfriendly?

A. I never had anything against him as a man - I did not like
his way of talking, I had nothing against him personally
as a man, but I don't like his principles as an enemy to the South.

Q. What are his principles?

A. I took him to be a Black Republican.

Q. Why did you take him to be a Black Republican?

A. From conversations he had been using.

Q. What conversation, and what did he say?

A. About the Confederate money, that it would not be worth
a damn.

Q. What is a Black Republican?

A. An abolitionist - one that wants to free the negroes.

Q. Did you ever hear the accused say anything about freeing the
negroes?

A. No, Sir. I never heard him say anything about it.

Q. If you are a good Southern man yourself, and believe him an
abolitionist, why did you not report this to the proper authorities?

A. I reported it as soon as we arrived at Fort Clark, to Capt. Barclay
and told him I wanted to get out of the company, as I believed
Lieut. McDonald to be an abolitionist.

Q. Have you not been trying, with others, to get accused out
of the company?

A. No, Sir. Nothing only, signing petitions to get him to resign. I
signed two petitions.

Q. Is not accused an efficient and competent officer, and does
he not discharge his duties as such, so far as you know?

A. I believe he is competent enough, and has discharged his duties
as far as I know.

Q. Has not Lieut. McDonald a number of enemies in the company
and are you intimate or very friendly with them?

A. I am very intimate with all the company, and am not more
friendly with the enemies of accused than with them. Accused had some enemies
in the company.

Q. Had you not frequently said you would not obey any order
Lieut. McDonald would give to you? If yes, what was the
reason? (This question was withdrawn by the accused, the

Judge Advocate having objected to it, because if answered
in the affirmative, it would render unlawful to
have charges preferred against him under the 99th Article
of war, - and further because it is irrelevant.)

Q. Do you not know that it is now the custom to brand hogs?

A. I never knew a hog to be branded.

Q. Who else was present when Lieut. McDonald said Confederate
paper was not worth fighting for? State the names of any
or the circumstances that will lead to show who they were.

A. I do not know who was present. - I thought a man named Wooden was
present, but since Wooden says he was not the man. There were others
lying around, but I do not know their names.

Q. Was not the man Wooden, who said that wanted to join the
company at the time of said conversation?

A. I think he was the man.

RECORD DIVISION
FEB. 1. ARCHIVES.

WAR DEPARTMENT.

Q Did not Lieut. Mc. Donald furnish more men to form your company than any other officer?

A I don't know.

Q Does not Wooden belong to the company at present?

A Yes, Sir.

Q Was not Lieut. Mc. Donald put in command of Camp Hudson by Capt. Carolan? If so, at what time, and how long was he in command at Camp Hudson?

A He was put in command in the month of June, but I don't know how long. He remained there until the most of Sibley's Brigade had passed down.

Q Are you not in the habit of making complaints and fault finding in the company, about trifling matters?

A No, Sir.

Q Have you not been cross grained, or dissatisfied most of the time you have been in the company?

A No, Sir, except with the lack of Lieut. Mc. Donald.

Q Did you ever serve under accused?

A On the Salado, and from here to Fort Clark.

Q Where was the Captain during this time? was he not in command?

A He was at the Salado, in command, part of the time, and between here and Fort Clark, he was sick part of the time.

Q You say that Lieut. Mc. Donald is an efficient officer, and always discharged his duties, - why did you not want to serve under him?

A Because of his conversations that he had used heretofore, that I have referred, this is why I did not want to serve under him. How many complaints have you made to Capt. Carolan against accused?

A None but the one time.

By the Court.

Q How long have you known the accused? is he a native of the South? if not, how long has he been here?

A I have known him since last May. Don't know where he is from.

Ques Where were you born?

Ans In North Carolina.

Ques Who was in command on that day, when accused told the soldiers they could kill the negro, if they would conceal their marks and brands?

Ans I think Lieut. McDonald was.

The counsel for accused objected to this question in the following words, viz: "The Accused objects to the witness stating what he thinks as to who was in command, he should state facts & not his opinion, - as the statement of witness is not the best evidence."

The Court was thereupon cleared, and after maturely considering the question, the Court decides as follows, viz: "That the witness shall answer the question more fully, stating any and all facts in the witness knowledge going to show that, Lieut. McDonald was in command of the camp."

Ques I know that Capt. Barclay and Lieut. Lytle were frequently absent, and the Lieut. was generally there.

Ques Was Capt. Barclay in camp that day?

Ans No, Sir, I don't think he was.

The counsel for Accused objected to the last question in the following words, viz: "Accused objects to witness stating what he thinks as to Capt. Barclay's being in camp - he should state facts, according to his remembrance or knowledge."

The Court was thereupon cleared, and after maturely considering the question, the Court decides as follows, viz:

"While the Court is well aware that the mere opinions of a witness, or what a witness may think, is entitled to no weight, in the present case, yet, they think it competent for the witness to state the conclusion to which he has arrived, provided he states immediately in connection with it the facts on which his conclusion is based; - The mere opinion or conclusion of the witness will not be admitted by the Court only the facts stated, but in justice to the witness, and as a matter of convenience, the whole answer of the witness to the question will be taken up by the Court and allowing it to its previous to modify, alter, or expunge the answer of the witness, if the witness does not answer fully, or if his answer is otherwise unsatisfactory, the party can

...an opportunity by putting out guns in morning, & when his coach
 Capt. Carolan was in the habit of being off frequently in the morning,
 the time when this conversation occurred, he remained there the day
 the day the flag was presented, and two nights, and that is the only
 time I recollect of his remaining there. When the soldiers asked
 leave of absence it was most always from Lieut. McDonald, Capt.
 Carolan was at home at night - he would come in in the morning
 and back in the evening.

Ques. Were there any boys killed thereupon, and if so, did it come to the
 knowledge of the accused?
 Ans. I did not know of any being killed.

(19)

The Council for the accused here asked permission to introduce
 Private Theodore, of Capt. Carolan's company in the following
 words to wit:

"Accused desired to introduce Theodore (Pvt) to be
 brought before the Court, that the witness may state whether he
 is the person referred to by him as being present at the conversa-
 tion about killing boys, and the man that wanted fresh meat."

Permission was thereupon granted by the Court, and private
 Theodore, was introduced before the Court, and was recognized
 by the witness, Private John, as being the person referred to by him,
 as being present at the conversation about killing boys.

Question by Accused, by permission of the Court.

Ques. When did you first report the conversation about confidential
 agency, where, and to whom, and who was present?

Ans. I reported it first to Capt. Carolan, - nobody present but us two,
 I first reported it to Capt. Carolan at Fort Clark, - we went there
 in June, I reported it less or three weeks after we went there.

Ques. Did you not state in your examination that you reported
 it the same day to Capt. Carolan?

Ans. No, Sir.

The Court adjourned to meet at 8 o'clock A.M. Nov 5th 1862.

San Antonio, 8 o'clock A.M. Nov 5th 1862.

The Court met pursuant to adjournment.

Felix Flores, private, in Capt. Cardans Company, a witness for the
prosecution, duly sworn.

By Judge Advocate.

Ques. Did you at any time hear the accused, Lieut. Mc Donald, make
any remark about killing hogs, - if so, what did he say, and
to whom and where?

Ans. What I heard him say was at the Salado, he ^{accused} told the boys if
they kill any hogs, kill as much as they please, so that they
be careful and hide out the marks and brands. I was a
stranger then, had just joined the company, and don't
remember the names, they were members of the company, and
I was just passing by at the time.

Ques. In what month did he say this, and who was present when
he said it?

Ans. I think it was in May 1862, as far as I can recollect, it
might have been in June. I can't name any that were
present, - it was the first time I was in camp, and they were
Germans, and strangers to me.

Ques. What time of day was it, that he said it, and what were
they doing at the time?

Ans. I do not know whether it was morning, noon or night,

I just heard the remark as I passed by.

Ques. Did you ever know the soldiers of Capt. Cardans Company
about that time, and after that, to kill hogs, and eat them
in camp?

Ans. Yes, Sir. I know them to kill hogs both at that time, and
after that time.

Ques. Were any of the men ever punished for killing hogs, at Camp
Salado or after that, to your knowledge?

Ans. No, Sir.

State at the time of the killing of the hogs at Camp Salado, whether Capt. Carolan was out of the camp or not?

The counsel for accused objected to the witness answering this question, in words as follows, viz: "Accused objects to asking the witness to state whether Capt. Carolan was out of the camp or not, as it suggests the answer desired." The Court was cleared & after mature deliberation decided that witness shall answer the question.

No, Sir. Capt. Carolan was not there. I am not sure - am not positive.

Cross Examined by Accused.

Q. Are you now acquainted with all the members of the company?

A. Pretty much all the boys in the company I know now.

Q. How do you know the persons to whom accused made the remarks are members of the company?

A. I can't name them, and do not know their names. I know they was soldiers in our camp, and there were none there but soldiers. I know it, and don't know how I know it.

Q. How do you know they were soldiers, if you do not know who they were, and cannot name them?

A. I know them because we all went out to the Camp Salado together, and I know them because they had the letter "H" on their hats.

Q. Are they still in the company?

A. Yes, Sir.

Q. How you can see them since? If so, how many of them?

A. I have seen them, I suppose, but don't know who they were.

Whereupon the counsel for the accused filed their objection in words as follows, viz:

"Accused object to the Judge Advocate making any remarks or explanations to witnesses or the Court, except in writing, to be submitted to the accused."

The Court, after being cleared for deliberation, and, after maturely considering the question, decide in words as follows:

WAR DEPARTMENT.

The Court held it to be the duty of the Judge Advocate to explain the question to the witness, in the presence of the Court, when it appears, as in this case, that the witness is not familiar with the English language, and it is clear that he wholly misapprehends the question. The Judge Advocate will, whenever required by the Court so to do, reduce his opinions demanded by them to writing."

Whereupon the accused, by his Counsel, files his request in words as follows, viz:

"The accused would respectfully ask the Court the permission to propound his own questions, or by his legal advisers, upon the Cross-Examination of the witnesses for the prosecution, as well as the examination of the witnesses for the accused."

The Court was thereupon cleared for deliberation, and having maturely considered the subject, decide in words as follows, viz:

"While the Court is both willing and desirous to extend to the accused every facility for making his defence, it does not feel itself at liberty to depart from the established custom and usages of Courts Martial in general."

The Court therefore decides that all questions, whether emanating from the prosecution or defence, or from its own body, shall be submitted to the Judge Advocate, and read by him to the witness."

The Court thereupon adjourned to meet on Tomorrow, Nov 6th at 9 o'clock A.M. 1862.

"Accused respectfully asks the Court to allow him, through his legal advisers, to propound his own questions, first submitting the said questions to the Judge Advocate, to read aloud in the hearing of the Court, for objections, if any."

The Court was thereupon cleared for deliberation, and after maturely considering the question, decide as follows:

"The Court will cheerfully consider any authorities the defence may wish to cite in support of his request to propound his own interrogatories. The Judge Advocate will read to the Court the authorities thus cited.

The Court will insist on the established method of procedure that forbids all verbal communication whatever, except in its own deliberations."

The accused, by his counsel, then presented and read aloud to the Court his argument, in support of his request, citing authorities &c, which argument is appended to these proceedings, and marked Exhibit A.

The Judge Advocate then presented and read to the Court his response, which response is appended to these proceedings, and marked "Exhibit B."

"The Court ~~RECORD DIVISION~~ maturely considering the matter decide as follows:

Accused by his counsel submit the following question to the Court: "Does the Court decide that the usual method is adhered to that the question shall be put to the witness by the Judge Advocate when they use the word 'communicated'?"

Cross Examination of Witness resumed

Now say that you do not know who the persons were to whom
Lieut. Mc. Donald was talking when he said they might kill hogs;
nor do you know their names, then how do you know they were
soldiers, and members of Capt. Barclay's company?

I know they were soldiers because we were in camp together, and stay
there together.

If you know them since, give their names?

No, Sir, I don't know them - can't tell which ones they were.

What are your duties in the company?

I do the duties of a soldier.

Are you not Capt. Barclay's cook, or the cook of the Battalion mess?

Yes, I was, but quit that about two or three months ago.

You said you knew them because they had the letter H on their
hats, when did they procure their hats, and company letter,
and how ^{many} did you see at that time with the letter?

The same time we camped at the Salado, we got the hats & letter H.

How long had you been at Camp Salado when the company
were furnished the hats?

I don't know how long I had been there.

State as near as you can the time?

I cannot state what time in the month, because I don't recollect.

Was it one, two, three or four weeks after you went to the camp
now or left?

I don't know I can't tell.

Were all of the company furnished with hats at the same
time or who furnished them?

Yes, Sir - The orderly Sergeant, Julius Hapner.

When did you first report the conversation of Mc. Donald, about
killing of hogs, and to whom did you make your report, and
at whose request, did you make your report, and the
time you made your report?

At ~~that~~ Camp, I never told it to anybody.

You say some hogs were killed about that time and since.

(25) who are the men that did it, name them?

I can't name all - I can't name any.

Whose hogs were killed, and when were they killed?

I don't know whose hogs they were. They were killed on the Salado.

Did you see any hogs killed, if so, how many, and where?

I don't know how many - I saw the meat, I did not see them killed.
I saw some men carrying hogs to the camp killed.

Do you know whether the hogs you saw, after they were killed,
were purchased by any of the company or not?

I don't know.

At whose orders were the hogs killed?

I don't know, Sir.

Was it the same person whom Lieut. Mc. Donald was talking to,
that killed the hogs?

I don't know, Sir.

Did Lieut. Mc. Donald order the hogs killed?

I don't know.

How many times did you see hogs being brought into Camp?

Several times - I don't know how many.

Did you have any of the meat of the hogs?

Yes, Sir.

Do you know whether Lieut. Mc. Donald had any knowledge
of the killing of the hogs or not?

I don't know.

Did you believe the hogs had been stolen when you saw
the meat?

A member of the Court objected to the witness
answering this question, for the reason, that the answer might
criminate the witness. Whereupon the accused, by his Counsel,
submitted the following

"The answer does not criminate the witness. The question
appears to be a proper question of the question. The witness saw,
answers the meat was stolen, but 'purchased', the answer
alone could not be objectionable. The question not."

DEPARTMENT.

Whereupon the court was cleared for deliberation, and after
maturely considering the matter, the court decides as follows:

"The court decides that the question may be put, but the
witness shall not be compelled to answer, should he decline
to do so on the grounds that his answer may criminate, or
tend to criminate himself."

Ans. I received the meat because the Sergeant issued to the all.

The court adjourned, to meet tomorrow

I don't say how many times.

Ques. What was the conversation about, of which you have given a
part? Have you stated all you heard, and how long had
you been in camp at that time?

Ans. I heard the conversation about killing hogs. I have stated all I
heard. I cannot say whether I had been in camp or not at that time.

Q. What Sergeant was Leach, was he the commissary sergeant?
How long did he issue provisions to the company?

A. I don't know whether he was the commissary sergeant or not;
he was the second sergeant, and when the orderly sergeant was
gone, he issued rations to the company. I don't know how long
he issued rations.

Q. Was not the orderly sergeant absent most of the time you

A. I think he was.

Q. Did Sergeant Leach issue the rations to the company the
most of the time while you were at Camp Salado?

A. Yes, Sir.

Q. Who was in command of your company the day you say
you heard accused tell the men to "kill boys," was it not
Captain Garland?

WAR DEPT.

By the Court.

Did the Lieutenant tell the boys to kill cattle, as well as hogs?

never heard him say anything about killing a M^r.

Is it the custom in Texas to brand, as well as mark hogs?

the custom in Texas to mark hogs, and not brand them.

Did the Government issue bagrounds to all the companies,
while on the Salado, about the time you speak of?

I don't think the Government did.

Did it (the Government) issue any moral to any of the comparisons?

I don't know, Sir.

Was the accused aware of the fact that the men were killing dogs & bringing the meat into camp?

The Accused, by his Counsel, objected to this question in words as follows:

"The accused objects to putting any but the question propounded by the Court, and that before any remarks are made by the Judge Advocate, in explanation or in addition to the question propounded, the question shall be re-read to the witness, without any remarks or additions, until the Court is satisfied that the witness does not understand the question, when the Court, not the Judge Advocate, shall state the explanations to be made to the witness, and such explanations to be in writing, and made a part of the proceedings."

The Court, having required the opinion of the Judge Advocate in writing, and he gave the same in words as follows:

"Where a witness, either from his limited education, or from his partial ignorance of the language, or from the manner in which the question may be worded, does not understand the question, — and such fact is apparent to the Court, I am of the opinion that it is competent for the Court, through its presiding officer, to explain the question to the witness, or for them to direct the Judge Advocate, in their presence, to explain the question. In each case, whether the question be explained by the presiding officer, or by the Judge Advocate,

care should be observed, that the explanation be confined simply to the meaning of the question, and I do not deem it expedient that this explanation should be entered on the record.

If the Court has not the power to explain the meaning of the question to the witness, it would be idle for them to sit as judges. The explanation, itself, being nothing more than another mode of placing the same question to the witness, is not a necessary or essential part of the record, in my opinion.

The Court was thereupon cleared for deliberation, and after having maturely considered the subject, the Court decides in words as follows:

"The Court decides that it is competent, in some cases, for the Court, through its presiding officer, or the Judge Adversely, to explain the meaning of the question to the witness, and that such explanation need not be reduced to writing, ^{entered on the records} or ⁱⁿ Court say whether he knew it or not.

Re-Examined by accused by permission of the Court.

Was there not a hog killed at or near camp by a kick from a horse? If so, was not the meat of that hog issued by the Sergeant?

I don't know if a hog was killed by a horse. - The Surgeon issued hog meat several times.

To you mean fresh fish, when you say "hogenat?"

V. L. Sir.

What is your native language? do you understand all that is said in English? In what language did Lincol. M. Arnold speak of DEER DAVIS?

Spanish is my native language, I read and understand English.

Learned to speak English.

By the Court.

Do you know how the Serpent got the hog round his neck?

do not know how he got it.

By Accused, by permission of the Court.

Q Did any citizen complain of having hogs killed at Camp Salado? If so, who was it?

A I don't know.

The Judge Advocate here gave notice that the evidence for the prosecution had all been introduced, and that the prosecution was closed.

Q Theodore Eit, private in Capt J. M. Burdick's Co. Wood Regt. I. G. a witness for the accused, duly sworn.

A I don't know what month - but I was one of the first ones mustered into the company.

Q Were you or not with the company at Camp Salado, all of the time when they were encamped there?

A Yes, Sir.

Q Did Lieut. Mc. Donald ever say anything to you, or in your hearing about killing hogs? If so, what?

A No, Sir.

Q Did you ever hear Lieut. Mc. Donald tell any man of your company at Camp Salado, or other place, that they might kill hogs, only to be careful to hide the marks and brands, or any words to that effect, since the Lieutenant has been in the company?

A No, Sir.

Q Did you ever say anything to or in the presence of Lieut. Mc. Donald or of any member of your company about wishing to kill a hog "for fresh meat," or any words to that effect at Camp Salado?

A No, Sir.

Q Now any hogs killed at Camp Salado? If so, how were they killed - tell all about it?

 Lieut. C. M. McDonald, accused, of S. M. Carolans
 Company, Woods Regt. I. C. also present. — with his
 counsel, Maj. J. J. Leal, and C. Upson, Esq.
 The proceedings of yesterday were then, a loud
 by the Judge Advocate.

William H. Moore private in Capt. J. M. Carolans company, a
 witness for the accused, duly sworn:

By the accused

Ques. Were you a member of Capt. Carolans company while it
 was in camp on the Salado?

Ans. Yes, Sir. I was recruited in on the 29th day of May 1862.

Ques. In what month was the company in camp there?

Ans. In the month of May and part of the month of June, we left
 camp for Fort Clark, to the best of my recollection, about the
 10th of June.

Ques. Did you hear Lieut. McDonald say anything about killing
 hogs while in camp on the Salado, if so, what? State fully?

Ans. I recollect on one occasion a hog was killed, Lieut. McDonald
 said the men ought not to kill hogs, because they had plenty of
 beef.

(33)

Ques. Did you ever hear accused say the boys might kill hogs if they
 were careful to hide the marks and brands, or any words
 to that effect? If so, state all he said?

Ans. I never did, Sir.

Ques. Did you ever hear Lieut. McDonald say anything as to what
 he would do if he caught anyone of the company killing
 hogs? If so, what?

Ans. The Judge Advocate objected to this question in words as follows:

"I object to the question as irrelevant, it is wholly immaterial
 what the accused may have said before or after the transaction, it is
 not competent for a party, thus to manufacture by conversation
 evidence for himself; — all the accused said at the time, may
 be used as part of the transaction, but not remarks of his made
 at another time, nor is the evidence competent to contradict the
 witness Parr, because it is not shown that Moore was present at
 the time of which Parr speaks, or that he heard what Moore said."

Thereupon the Court was cleared for deliberation, and after
 maturely considering the matter, the Court decided in words
 as follows:

"The Court decides that the question may be put and answered."

Ans. I did not.

Ques. Did you ever know of any Sergeant issuing any order or
 to the company, while at camp Salado?

Ans. Not of my own knowledge. Witness was in camp at that
 and they were eating fresh pork, and something was said
 about killing hogs.

(The witness here proceeded to detail a conversation that
 occurred between accused and witness, but as the witness says before
 accused joined the company, in which he stated that
 accused told him it was a shame for the men to kill hogs,
 that it was a shame for the company to have names, &c.)

Whereupon the Judge Advocate presented to the Court his objection
 in words as follows:

"I object to the witness detailing the conversations he may have
 had with the accused, as to the killing of hogs, and so on, &c."

that the witness was present, at the time to which the witnesses
Tarr & Flores allude, such testimony may be used for the purpose
of contradiction, provided the witness was present; - if he was not
it is too clear for argument that the conversations of accused, at
another time, cannot be used by him in his favor, - if they can
accused has only to introduce a witness a witness who will
swear that he heard him expressly forbid the men from killing
hogs at Camp Salado, and the accused will be at once acquitted.
Such testimony is irrelevant, and hearsay, and therefore
objectionable."

The accused, by his counsel, offered his reply in words as follows:

"Any remarks made by Lieut. Mc. Donald at or about the
alleged time of killing the hogs, is a part of the res gestae
and especially when it is brought to his knowledge, as officer of
the company. Again, no specific time is proven when
the alleged conversation took place on the Salado, in the
month of May or June of 1860. The witness Tarr states that
Flores was present, and that the conversation grew out of a
remark by one Theodore, and that Lt. Mc. Donald told him,
Theodore, to kill the hogs and hide the marks and brands.
Theodore emphatically denies that any such conversation took place, and it
is quite legal and proper to show the acts and remarks of Lt. Mc. Donald
while at Camp Salado, to corroborate Theodore, or that his general
conduct and acts, as an officer, are directly opposed to such charges
as are alleged, - especially when only a part of a conversation is shown
if the whole conversation could be had by the Court, the meaning might
be otherwise than criminal. Tarr says Moore may have been present,
and Flores does not recollect any person, - and there is but the
one conversation attempted to be proven by the C. S. State. And the time
referred to by the witness Moore is the only time any killing or any part
of killing of hogs was brought to the knowledge of Lt. Mc. Donald."

The Court was duly closed & after duly considering the matter decide as follows:

"The witness having answered the question directly, what he adds, as to what he heard
Lieutenant Mc. Donald say in a conversation is irrelevant to the question and should
be received and recorded as part of his answer."

Q Do you know if the killing of hogs ever came to the knowledge of Lieut Mc Donald. If so, state all about it, what the witnesses said, and when and where this took place?

The Judge Advocate offered an objection to this question in words as follows:

"I object to the latter part of the question, seeking to introduce conversations of the accused for his benefit."

The accused, by his counsel then presented his argument in support of the question, in words as follows:

"Accused insists upon the whole of the question being answered. The question is legal. The answer of witness if irresponsible or irrelevant might be objectionable."

Thereupon the Court was cleared for deliberation, and after maturely considering the question, the Court decides in words as follows:

"The Court sustains the objection to said question, offered by the Judge Advocate."

Whereupon accused asked leave to withdraw the question in words as follows:

"Accused asks leave to withdraw the first part of the question for the reason that it would be unintelligible, and the Lieutenant's action unexplained, or what he said, about it."

Leave was granted by the Court to withdraw the same.

Q Did you ever know of any of the Company having fresh pork while at Camp Salado? If so when and how many times?

A Only on one occasion. I think I had then been mustered into the service only two days.

Q In response to the third question "Did you hear Lieut Mc Donald say anything about killing hogs while in camp on the Salado, if so, what, state fully?" You stated, "I recollect on one occasion a hog was killed, Lieut Mc Donald said the men ought not to kill hogs, because they had plenty of beef," - was that all he said? if not, state what he further stated at that time?

A I heard nothing further.

he said in the same conversation say something about putting a stop to the killing of hogs, - if so, what?

The Judge Advocate objected to this question for the same reasons, as stated in the objections to former questions already decided by the Court.

The Court was then upon ^{COPT DIVISION} ~~the subject~~ ^{and being} maturely considered the subject decided as follows:

"The Court sustains the objection offered by the Judge Advocate."

You say you know of fresh pork being killed in the Company but once, State whether Lieut. Mc Donald had any knowledge of the fact, - if so, how did the same come to his knowledge, and whether he said or did anything upon receiving the information, - if so, what?

Whereupon the Judge Advocate offered his objection in the following words:

"The Judge Advocate objects to this question 1st because it has already been passed upon by the Court, and the objections to it sustained. 2d He objects to all that portion of the question which seeks to convert the conversations of the accused into evidence for himself, for the reasons heretofore stated above."

The Court having been cleared for deliberation, and after maturely deliberating on the subject, decided in words as follows:

"The Court decides that the question shall be answered."

There was a hog killed in camp. I understood from some members of the Company that the hog had been killed by a horse stepping on it, or kicking it. There was plenty of talk on the subject. Lieut. Mc Donald said they ought not to kill hogs because there was plenty of beef in camp. It was very shortly after I joined the Company. Lieut. Mc Donald said it would give the Company a bad name. He did nothing that I know of.

Was you in camp all of the time after you went to the Salado, until your Company left for Fort Clark? If you answer me, - how much of the time were you absent?

I was several days in town, while encamped on the Salado. I was on furlough at the time.

If any other hog, or hogs were killed by the Company at the Salado, would you not have been likely to have known it, after you went there?

I can't say, it might have occurred and I not have known it. I came to town, and was in town several days. I never heard any talk of it until since I have been here.

The proceedings of Nov 8th and of yesterday were read
aloud by the Judge Advocate.

Examined by Judge Advocate.

Ques How long had the Company been in camp on Salado,
before you joined them?

Ans I cant say. I never inquired.

Ques Who was present when this conversation of Lieut McDonald
about killing boys, which you relate, took place?

Ans I cant say positively — there was some person — cant say
who.

Ques What time of day did it occur?

Ans It was in the evening, of the same day the boy was killed.

Ques Was Dan Tobin present at the time, or there?

Ans I am certain Dan was not present — I cant recollect
who the other person was.

Ques Are you acquainted with a man by the name of
Samuel Shudy, who lives near Fort Clark? if so, where does
he live?

Ans Yes, I know him, he lives about seven miles from Fort
Clark on the Texas River.

Ques Where you ever at his residence, in company with the accused
if yes, in what month was it, and about what time
in the month was it?

Ans In the month of July, about the 26th or 27th.

Ques Who else was along with you, and who was present?

Ans Mr. August Lagerhausen, myself Lieut G. M. McDonald
Mr Shudy and his wife.

Ques What time of day was it when you reached Shudy's house?

Ans Between nine and ten o'clock in the night.

Q. What time of day did you leave Fort Clark?

A. About dark, - a little after dark.

Q. What was the mental and physical condition of Lieut. G. W. Donald (the accused) when he reached Shredjo? If you say it was disturbed, state from what cause?

A. He was disturbed and under great excitement caused in part from the loss of his wife, and he had also been drinking some.

Q. Did he have any weapons about him, if yes, what weapon and if fire arms, were they loaded?

A. He had a six shooter, - and it was loaded. - I cannot swear positively, - I did not see it in the porch.

Q. Did you see him shoot it off that night? If so, can you tell whether it was loaded or not?

A. He shot it off after we left there, on the road.

Q. Did you see him (accused) show any money that night? If yes, what amount?

A. I should judge about a hundred dollars - he had several bills of different denominations.

Q. How came he to show this money? and if you say it was when he proposed to bet? State what was the bet he proposed to make? and where were you at the time he proposed to bet?

Accused, by his counsel, objected to this question in words as follows:

"Accused objects to the question, because it is irrelevant, the accused is not on trial for telling, or for proposing to bet, and neither question or answer can have any bearing in the case. Nor can the fact, whether the accused had money upon the road, have anything to do with the results of this case.

If the Judge desires to establish the fact of whether the accused had money, and if so much, - the question should be asked asked in any form by the Judge. Adversely to this fact, - if already established by the witness.

Accused again urges before this court that he is here to

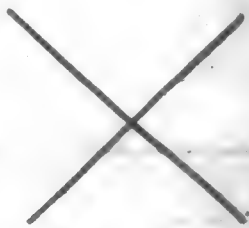

DEPT. OF JUSTICE
RECORDS DIVISION

... charges preferred, (and betting is not one of them) against him. Accused respectfully refers to the court for evidence to sustain him in his objection, the authorities which are recognized by this Court. All extraneous evidence should be ruled out, and especially when it is irrelevant, and might tend to criminalize him, in another charge not before the Court. The Court has already decided in this case and made the precedent, that questions or evidence irrelevant, should not be asked or answered; the rule is proper and right, and accused invokes the former ruling in his behalf."

The Judge Advocate then filed his argument in support of the question, in words as follows:

"My objection asking the question is twofold - Lagerhausen in his examination said that accused offered to bet with Moore, and showed money at the time about \$100. I want to strengthen his testimony on that point by that of Moore - And further - it may turn out that the bet was made at Shady House, and was a highly improper one, to be made there, and if so, that goes also, it would be strictly relevant to the matter in hand.

Whereupon the Court was obliged, and after mature deliberation, and considering upon the question at issue, decide that the question need not be answered.

The Cross Examination of Moore resumed, by permission of the Court.

Q. You say that Lieut Mc Donald was laboring under mental excitement - State when Lt Mc Donald's wife died, as near as you can? and also if the accused did not go down from Camp Hudson, to Fort Clark, to go to Bastonville, where his

family lived;— and whether he was not ordered back to
Hudson, by the Captain of his company— also state if
you know if Mrs. McDonald did not leave an infant
a few days old, when she died? If you state that you
know these facts, was not accused in much trouble about it?
Here the witness commenced stating what accused had told him, and
The Judge Advocate offered his objection to the witness answering
this question, in words as follows:

"I object to the witness detailing conversations that
occurred between him and Lieut. McDonald, at Fort Clark
or prior to their visit to Shady house, — anything that he
said or did there, it is fully competent for the accused
to draw out of the witness.

Hereupon the accused, by his counsel, offered his argument
in support of the question, in the following words:

"The objection of the Judge Advocate is not well taken,
because witness states that he heard Lt. McDonald, as well as
others say that the Lieutenant's wife was dead, and that was
his business down at Clark. The disease of a person can
be proven by this character of conduct.

The objection of the Judge Advocate upon the other ground
is not correct. The witness says that the accused was
laboring under mental excitement. This evidence was
brought out by the Judge Advocate upon his examination
and the Court can well hear all of the causes that lead
to this excitement, and the acts language and doings of
accused at Fort Clark, and upon the road, is legitimate
evidence for the Court. — it is part of the res gestae, again
it has nothing to do with the acts of the accused, at Shady,
only to show that this mental excitement might or did
exist while there at Shady, as well as to explain why the
accused offered the money to any one to kill him.

This is not ~~materially~~ ^{materially} evidence for the accused
The Judge Advocate has in the examination of all his

witnesses connected with the accused at Fort Clark, or drawn it out during the examination of the witnesses that knew anything of the matter, or charge. And part of anything accused may have said, in relation to the charge, or his conduct then, should be explained by the whole conversation or conduct, — not only at Shudy's House, but from Fort Clark until he left Shudy's House."

The Court was then adjourned, and after duly considering the question at issue, decide in the following words:

"The Court decides that the disease of a person can be proved by common rumor, or report, — further than this, ^{the} witness cannot give mere hearsay evidence; he must state facts within his own knowledge, and not matter that he may have heard from other persons."

I know from general report that Lieut. M. Donaldson died a short time previous to his coming down from Fort Clark in the month of July. He came to Fort Clark from Camp Hudson, and his object was to go to Bastonville, where his family lived. I do not know that he was ordered back to Camp Hudson by his Captain, only from hearsay. — I was on the escort that went back with Lieut. M. Donaldson the next day after he came down. I know nothing of Mrs. M. Donaldson leaving an infant, a few days old except from hearsay. Accused was in great trouble and distress of mind about these matters.

How long was Lieut. M. Donaldson at Camp Hudson? Was the accused at Bastonville after the Company passed that place en route for Fort Clark, in June? If so when?

43) Shortly after the 16th of June the accused was ordered to Camp Hudson, and did not come down any more until September following.

By the Court.

Ques. You state that when the Hog was killed by the horse, that Lt. Mc. Donald said it was wrong for the boys to kill hogs. If the hog was killed by a horse, then why did the Lieutenant make this remark?

Ans. I cant state that Lieut. Mc. Donald knew how the hog was killed.

Ques. What time of day was the hog killed on the Salado?

Ans. I dont know what time it was killed.

Ques. Now state that the Lieutenant showed his money, now for what purpose did he do so?

Ans. He wanted to make a bet with me.

Ques. Where did the Lieutenant propose to make this bet?

Ans. It was on the porch at Rev. Shudys house.

Ques. What did he propose to bet about?

Ans. He wanted to bet that Gen. Sibley would be down here in two or three weeks.

RECORDED
DEPT. OF THE INTERIOR

proceedings of yesterday were then read aloud by the
Judge Advocate.

Julius Hapner, Private in Company H Woods Regt. a witness
for the accused, duly sworn.

Were you at any time orderly Sergeant of Capt Cardans
Company, if so when, and how long did you act?

I acted as orderly Sergeant from the 16th of May until the
middle of August 1862.

Did you while acting as orderly Sergeant, at Camp
Salado, issue fresh pork to your Company? Was it
ever issued in the Company by any other Sergeant
if so, who did it?

No Sir, I never issued any fresh pork, nor did any other
Sergeant ever issue any.

Do you know of any fresh pork being in camp at the
Salado? If so, tell all you know about it, and how
many times your Co. had fresh pork?

I hardly ever sat with the company, having business
in town at the time, I never knew of any pork having
been taken, of my own knowledge, but once, Sergeant Leach
gave me some once.

When was it you saw fresh pork in camp?

Sometime between the 20th and 30th of May.

What time did you issue the hats, and letter H to your
Company?

About the last of May or first of June.

What day did you take up the line of march for Fort Clark?

On the 16th of June.

Was the fresh pork in camp before you issued the hats
and letter of your Company?

The time I saw some pork there was a week before.

Cross Examined by Judge Advocate.

What time in May 1862, did Cardans Co go into Camp
on the Salado?

On the 16th of May.

How many days were you absent from Camp while
the Company was on the Salado?

I believe I slept in Camp every night but two, I was
generally in San Antonio some five hours each day, but
returned to camp in the evening.

How often was Capt Cardan in the Camp at Salado,
and how long did he generally remain while there?

He generally came to Camp in the evening and stayed
until next morning, He may have stayed a whole day once
or twice, - I don't remember.

How far was Camp Salado from San Antonio?

Some five or six miles.

By the Court.

State as near as you can the time Mr. Nease joined
your Company?

I think he joined about the 16th of May 1862.

Was Leach a Sergeant? If so, was he second, 3^d, or what?

Leach was at that time 4th Sergeant.

Did Leach ever act as issuing or commissary Sergeant?

Not on the Salado, but he frequently assisted me in issuing
rations before.

Who issued the beef when you were not there?

Leach most of the time - sometimes Sergeant Vollmer.

If you were absent sometimes when meat was issued, how do
you know that pork was not also issued?

I am satisfied that no Sergeant ever issued any fresh pork, as
Sergeant, - the boys may have had pork, that I said, say.

One day you saw pork once in the camp - how do you
know that all the men did not have some at that time, and
that it was not issued to them by the Sergeant?

Some others might have had pork, but I know, or am satisfied

Q. Did you ever did issue pork as Sergeant, as no one ever attempted to assist me in issuing meat on the Salado, except Leish; and there was no other Sergeant but myself, up to May 15th, and I am satisfied if any had been issued by the Sergeant after that, I should have found it out. What Sergeant always drew the meat or rations from the Commissary?

A. I did.

By Accused by permission of the Court.

Q. Did you ever receive fresh pork from the Commissary to issue?

A. No.

Q. Lieut. Sam Tobin, of Capt. Sam Ragedale's Co. Partisan Rangers a witness for the accused duty done?

By Accused.

Q. Were you ever a member of Capt. Carolans Company?

A. Yes, how long?

Q. I was a member about three months. I joined on the Salado about the 15th of May, (some ten days before the company moved away from there) and left sometime about the middle of Sept. 1860.

Q. Was you in camp at the Salado? If so, how much of your time?

A. I was out there two or three days altogether.

Q. Did you ever see a petition of your Company, asking Lieut. Mc. Donald to resign? If so, who signed it, and what were the motives that induced the getting up of the petition, and who were the prominent parties thereto?

A. I never saw it, but I heard of one. I don't know who signed it. Ben Salado handed me the petition to sign, and I refused to do so. The cause of the getting up of the petition was a general dissatisfaction by members of the company against Lieut. Mc. Donald, I heard no special charges made against him. I don't know of any one who ~~was~~ ^{was} the petition.

Q. What did Ben Salado say the petition contained? How many

471

did he say signed it?

The Judge Advocate objected to this question, in words as follows:

"I object to this question, as seeking to use private conversations of Salado, with the witness. Ben Salado is the best witness."

The question was withdrawn, for the present, by the accused.

Q. Was or not Farr, of the Company, one of the prominent parties in endeavoring to get Lieut. Mc. Donald out of the Company?

A. Yes, he was one of the prominent parties.

Q. Did you ever hear Farr say anything against an accused?

A. If so, when, and where, and what did he say?

Q. I heard him say at Fort Clark that he did not think that Lieut. Mc. Donald was a good Southern man, he said many things, I don't remember all, and said that he hated him worse than any man he ^{saw} ~~was~~.

Q. Did you hear Farr say anything, since this trial commenced, about accused, — if so, state what it was?

A. I heard him say if Lt. Mc. Donald went back to the company he would not stand under him, — that he would be court-martialed first.

Q. Did you or not have candidates in your Company for the position of the accused, whom he should be got out of the Company? If you answer yes, — was or not Lagerhausen and Farr taking an active part for their friend or friends for 1st Lieutenant of the Company, and did they or not exhibit a good deal of interest in the matter?

The Judge Advocate objected to this question in words as follows:

"I object to the question in the form in which it is presented, because it is illegal, and leading — there is a legal ^{way} of putting the question, by which the knowledge of the witness can be tested, without refreshing his memory in named and circumstances."

The Court was closed for deliberation, and, after, maturely considering the matter, the Court decide as follows:

The objection of the Judge Advocate to the question is sustained by the Court.

Q. Did you or not have candidates for your Company, to fill the place of ^{REB} ~~accused~~, whom he should be got out of the Company?

A. Yes, Sir.

Q. Who were ^{they} ~~the~~ prominent part in this matter?

Q Was one, Wanda, Mr. Cook, and others whose names I don't remember.
Was or not Lagerhausen also taking an active part in this matter?
A Yes.

The former question, asked the witness, St. Dan Tobin, on page 46 of these proceedings, was here renewed by accused, as follows:

Q What did Ben Salado say the Petition contained? How many did he say signed it?

The Judge Advocate renewed the same objection to the question as recorded in these proceedings on page 47.

Accused, by his Attorney presented the following in support of the question:
"The connection of Ben Salado, at the time of handing the petition to St. Tobin to sign, is good evidence of its contents. Salado stands in the position of a co-conspirator, and anything he said in relation to the getting of St. M. Donald out of the Company, is evidence against all of the petitioners. A petition, to ask an officer to resign, is malicious, and the law will not permit a conspiracy for this object, and the sayings of one is good evidence to effect the credibility of all signs of the malicious petition, and to show their interest or motive in effecting the object of their petition, when called as witnesses, against the officer. In the latter case it is only a further carrying out of the original intention to get the officer out."

The Court was thereupon duly cleared for deliberation, and having maturely considered the matter, decide as follows:

"The Court sustains the objection of the Judge Advocate, and decide that the question shall not be answered."

Q State if you know what became of the petition? In whose hands did you last see it?

A I never saw it. I heard it was torn up.

Q State, if you know, why the Company wished the accused to resign?

A Some of them said he was not a competent officer, and many of them said that he was strict in his discipline. I only heard Parley say that he was not a competent officer.

Q Did you go with the Company to Fort Clark, from Camp Salado?

A Yes.

Who was in command of the Company, on route from Camp Salado to Fort Clark?

Lieut. Mc Donald most of the time. The Captain was in command some of the time.

Was the Captain along with the Company?

He was part of the time. When we arrived at the Aransas he went on ahead.

Was he sick on the road to Fort Clark, while with the Company?

Yes, I believe he was.

Was the nature of sickness such as to render him unfit for duty? (Ans) It was.

How long was he unfit for duty?

He was sick three or four days.

Culpeper's name recalled. *

What name was M. H. Reine mustered into your Company?
He was mustered into our Company on the 15th of May 1862, as appears by the muster roll now present in Court.

WAR DEPARTMENT

State were the habeas corpus (H) issued for your company?

Answered the same heretofore on page 44. of these proceedings.

J. G. Souer, private in Capt. Carolans company, a witness for the accused, duly sworn.

Were you with Capt. Carolans on the Salado, if so, when and how long were you with the company?

I was with the company only about ten days, altogether, on the Salado, at different times.

Did you ever see a petition among the men of your company, if so, what did it contain, and for what purpose was the petition?

I have not seen the petition, but I was told by the men that there was a petition going around, for the purpose of getting Lieut. McDonald out on account ~~and the removal of~~ the strictness of police on Saturday, in clearing out the camp, and keeping order in the camp.

State to the Court how Lt. McDonald discharged his duties at the Salado, if you know: give the daily routine of duty at the camp?

As far as I know Lieut. McDonald always done his duty well as an officer, keeping strict order in camp and having the men keep the camp clean, and he kept the men under strict discipline, as far as I know. — I was only there once or two days at a time while the company was at the camp on the Salado.

State whether the daily duties were roll call at day light, feeding horses, going to head, musk & family drill — also in the evening — guard mount in the evening, no loud talking or hallowing. Tents cleaned every morning, — inspection every Sunday morning, boots blacked, clothes clean.

Thursday wash day, cavalry drill every other day?

As far as I know, while I was there the roll call in the morning and evening was done regularly, guard mount &c. The tents were kept clean, and the Lieutenant was strict in discipline, that was the

151)

reason they wished to get him out, and that got up the row about it.

Ques. Have you or not been with the accused, most of the time since you were in the company? If yes, state how often you have seen or known the Lieutenant to be intoxicated, when and where?

Ans. I have seen him drunk at no time while on Camp Salado, or at Camp Hudson, and but once slightly intoxicated, and that was in San Antonio, since he has been attending the Court Martial.

Ques. What men of your company were prominent in trying to get the Lieutenant out of the company?

Ans. Dr. Parr, ordnance sergeant J. R. Minder, Sangerhausen, and a man named Woods, I understood, drew the petition.

By the Court.

Ques. Do you know of any hog being killed at Camp Salado?

Ans. Yes, Sir.

Ques. Did Lieut. Mc. Donald have any knowledge of the killing?

Ans. At the time the hog was killed Lieut. Mc. Donald was not present, he was on leave of absence. Lt. Mangelin had charge of the company at that time.

Ques. Do you know what Lieut. Mc. Donald said to the men that they might kill as many hogs as they wished, so they were careful to hide the marks and brands?

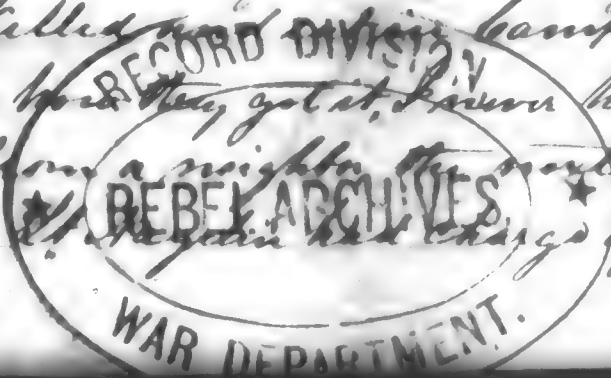

Ans. I never heard him say anything of the kind - I never had any conversation with him on the Salado, or not much.

Ques. Did you at any time on the Salado have fresh hog meat to eat?

Ans. Yes, Sir.

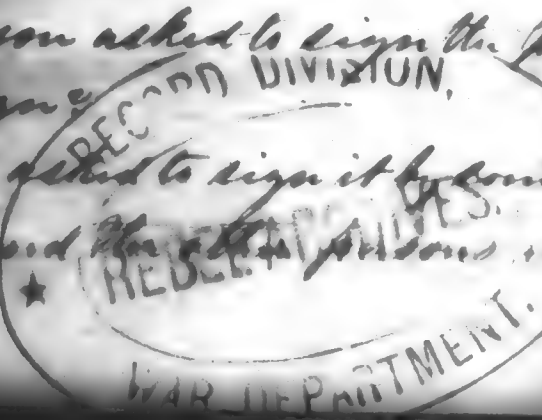

Ques. How was such meat got - tell all you know about hogs being killed and eating camp?

Ans. I don't know how they got it, I never had it but once, and then got it from a neighbor the next week, and that was while Lt. Mangelin had charge of the company.

Q. Do you know of any boy being killed at Turkey Creek, if so, did Lt. Mc Donald know it?
 A. I heard the boys telling that a boy was killed, and knew nothing about it myself, and a complaint was sent down by Sandhose from a man named Spears, to Lieut. Lytle, Lt. Mc Donald I suppose knew it the same as I did.
 Q. What time of the day was guard mounting had on the Salado?
 A. It was about five o'clock in the morning I think.
 Q. What time of day did they have cavalry drill?
 A. I never have been out there at cavalry drill - don't know whether they had any or not.
 Q. Were you on drill regularly?
 A. I never was on drill at the Salado camp.
 Q. How often were you absent?
 A. We were there about 30 days, and I was absent 20 days in the time.
 Q. How say Dr. Parr and Sergeant Mindin, Langerhansen, were prominent in getting up a petition to get Lieut. Mc Donald out of the company, - state how were they prominent?
 A. They came in with Ragsdale, to try and get a spite against the men that Lieut. Mc Donald brought into the company, to get him out and get Ragsdale in, so that the men could then be treated as volunteers, and not as regulars as they were now.
 Q. Mindin said that Mc Donald was not fit for an officer, that he was too strict with the men, and he would not like to be treated as regulars. Each of the other persons said about the same thing, and that they would not serve under him. I only know what they did from hearsay.
 Q. Where was the company camped at the time Lt. Mc Donald was petitioned to resign?
 A. This first petition was presented at Camp Salado, and the other at Elm Creek or Turkey Creek - I don't know which.
 Q. Are you and Lt. Nagelin good friends? Do you like Sergt. Mindin?

33)
 Q. I have always been friendly with Lieut. Nagelin, and also with Sergt. Mindin, until he beat me without a cause at Fort Clark, on the 2nd of October.
 Q. State as near as you can the number of men that signed the petition?
 A. About fifteen or twenty, as near as I can calculate - I never saw the petition.
 Q. About how many men were there in the company at that time?
 A. I think about 65 or 66, at the time of the ^{signing} presenting the first petition, but about 60, when the last one was presented, signed.
 Q. How many men were there in the camp at the time?
 A. When I was at Camp Salado there were only 25 or 30 men.
 Q. How say Lieut. Mc Donald was not in camp when you eat the hog meat - state how long the Lieutenant had been absent?
 A. There was two days I was in camp and I did not see him, I understood he had leave of absence to go to Cashonville.
 Q. How say you eat of hog meat in camp on Salado, but do not know where it came from? was it a new thing for the men to have hog meat? If so, were you not surprised on getting it then? Did you make any inquiry at all about it? nor did you hear any one say how it was got?
 A. It was a new thing for them to have hog meat - I was surprised on getting it - made an inquiry about how it was got, or who got it.
 Q. How did you come to be absent so much, while the company was on the Salado? Who gave or caused to be given such a furlough?
 A. I was sick most of the time and, a ^{leave} certificate from the Surgeon to stay home.
 Q. Were you asked to sign the petition for Lieut. Mc Donald to resign?
 A. I was asked to sign it by some of the members, but not by Parr and the other persons whom I have mentioned.

The witness on having his testimony read over, explained his answer on page 52 by saying that "the men were in the Company, as also Raydale, and what I retailed in my former answer took place after they had joined the Company."

By the Court.

Ques. Was strictness of discipline all the objection the men, who got up the petition, had against Lt. McDonald?

Ans. Did you never hear them speak of anything else the Lieut. had done that displeased them?

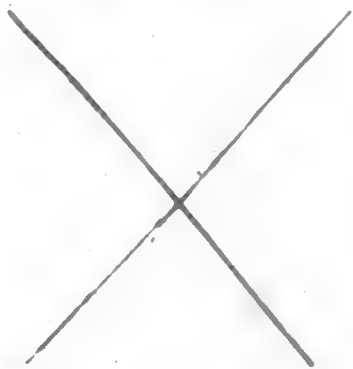

Ans. I only heard the complaint made, on account of strictness, there was some other talk, but I can't tell what it was.

Ques. If you were sick most of the time you were absent, who gave you a sick leave? How were you absent the balance of the time?

Ans. I got leave from the Camp to come to town from Lieut. McDonald was sick in town and got a surgeon's certificate from Dr. Herff and then from Dr. Boring. — and the balance of the time I got leave of absence from Lt. Nagelin & also Lieut. Lytle.

Ques. Did you hear any of those men who desired to get Lieut. McDonald out of the Company say that he was not a good Southern man, or words to that effect, or that he drank too much — State fully?

This question was objected to by a member of the Court, and the Court was thereupon cleared for deliberation, and having maturely considered the matter, the Court decides that the question shall be answered.

Ans. I only heard Dr. ^{Herff} say that he was not a good Southern man. I never heard any other one of them say so, and heard nothing about his drinking too much.

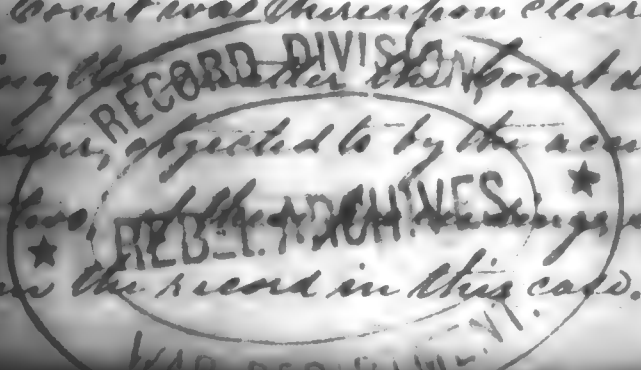

Hereupon the accused, by his counsel offered the following:

"The accused may respectfully submit the following argument to the Court. Accused admits no objection can be made to a question put by the Court, but a question by a member can be objected to when so put, it is not "put by the Court" until it is emmined, and a chance given for objections, then if no objection be made, it is then a question by the Court." Accused asks the Court to be allowed to have the question submitted for the action of the Court, & the authorities read sustaining this position, Dr. Hart, page 156.

Accused respectfully suggests that it would be a matter of great hardship, unless accused be allowed to show all about the matter. The accused further suggests that the Captain would be an important witness, for the reason that the accused duly reported the Turkey Creek affair, to Capt. Barclay on the arrival of the Company at the Fort the second day afterwards.

If what has been stated by the witness is a part of the record evidence, and is to be used, in forming the judgment of the Court, accused most respectfully begs permission to get the Captain's testimony, and all facts connected therewith. Accused respectfully objects to the question and answer, as irrelevant, because of no charge against him, (see charges) and he is not called upon to answer any charge but those duly preferred, and he asks that the question and answer be expunged from the records. (See question. - "Do you know of boys being killed on Turkey Creek," and answer thereto.)

The Court was thereupon cleared, and after maturely considering the matter the Court decides that the question and answer, objected to by the accused, and recorded on page fifty two, of the ~~minutes~~ shall be, and hereby are expunged from the record in this case.

The accused, on being asked, stated that he had no further testimony to offer.

The evidence on both sides now having all been heard, the accused was asked if he desired further time to prepare his final defenses, — and he replied that he desired further time, to wit until Saturday ^{9th} ~~10th~~ Nov 15th, 1862

The Court thereupon adjourned, to meet Nov 15th at 9 o'clock A.M.

when the accused, by his counsel, presented and read the
written defence (C) appended to these proceedings.

reply to said final defence of the accused marked (D),
and appended also to these proceedings.

Response of the Judge Advocate.

The authorities cited, do not appear to me to sustain the position assumed by the accused.

There is no doubt of the right of the accused to propound any questions, he may desire, to the witness. It is certain that his counsel cannot put the questions to the witness for him, — all the authorities concur on this point. — De Hart, page 132. — C. R. R. page 236. After the question is propounded, it is enunciated by the Judge Advocate, and recorded, and recorded by the Judge Advocate, — all this in the presence of the Court, the accused, and the witnesses; they all hear the question, and if there is no objection, the question is put to the witness, — that is, he is simply ordered by the Court to answer the question that has already been announced in his presence, and which, if he has intellect enough to testify, he surely understands.

For the Judge Advocate to read the question to the witness surely cannot deprive the accused the accused of any right or work any injury to him.

The Judge Advocate is the usual and ordinary channel of communication between the Court, the accused, his counsel or the witnesses, — if all authority was silent on the subject, the uniform customs, and usages of war, in this matter, would lead

that the questions propounded by the accused, cannot be put to the witness by the Counsel of the accused, but must be put by the Judge Advocate.

Reply of Judge Advocate.

As Judge Advocate, it becomes my duty to submit to the Court such comments on the evidence in the case, as may occur to me as relevant to the matter in hand, and as will aid the Court in arriving at a correct conclusion as to the guilt or innocence of the accused.

It may be proper, before proceeding to a short examination of the evidence, to say something with regard to the witnesses Sangerhausen, Parr and Florke.

These witnesses appear ~~not~~ not of their own accord, but upon a summons, directing them to be in attendance, their testimony having been taken previously, by depositions, and forwarded to Head Quarters for information, it was decided that it was proper to have them here in person, - hence their appearance before the Court.

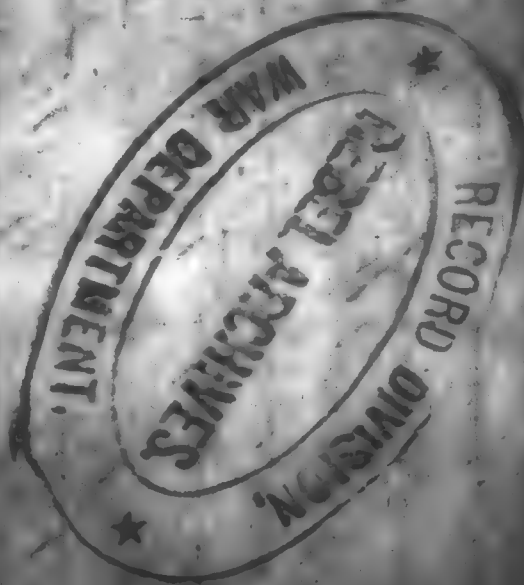

As to the first specification, - the evidence of Sangerhausen (page 5) is clear and uncontradicted, it shows that the Accused was under orders to go from Fort Clark to Camp Henderson, - that he left Fort Clark after supper, and that he was so drunk as to sit unsteadily on his horse, before he reached the residence of Shedy, on the Pedro River, seven miles from Fort Clark, (page 9) that he was so muddled as to desire one of the escort to shoot him (page 1). These two facts show the condition of the accused, and when his conduct is read by the light thus thrown upon it by this, and other circumstances, it is not difficult for the Court to determine how he behaved when he reached the residence of Shedy.

He arrives there late at night, between the hours of nine and eleven o'clock; he had no business there, - he wanted nothing to eat, for he had left Fort Clark after supper, he wanted nothing to drink, for he had his liquor with him, he did not want to rest for the night, for he made no effort to stay there; it was then, mere wanton intrusion, in the night time, upon the premises of an unoffending, and peaceable citizen, disturbing his family,

Reply of Judge Advocate.

As Judge Advocate, it becomes my duty, to submit to the Court such comment on the evidence in the case, as may occur to me as relevant to the matter in hand, and as will aid the Court in arriving at a correct conclusion as to the guilt or innocence of the accused.

It may be proper, before proceeding to a short examination of the evidence, to say something with regard to the witnesses Sangerhausen, Parr and Shorts.

These witnesses appear ~~not~~ not of their own accord, but upon a summons, directing them to be in attendance, their testimony having been taken previously, by depositions, and forwarded to Head Quarters for information, it was decided that it was proper to have them here in person, - hence their appearance before the Court.

As to the first specification, - the evidence of Sangerhausen (page 5) is clear and uncontradicted, it shows that the accused was under orders to go from Fort Clark to Camp Hudson, - that he left Fort Clark after supper, and that he was so drunk as to sit unsteadily on his horse, before he reached the residence of Shedy, on the Pedro Pinto, seven miles from Fort Clark, (page 9) that he was so maudlin as to desire one of the escort to shoot him (page 1). These two facts show the condition of the accused, and when his conduct is read by the light thus thrown upon it by this, and other circumstances, it is not difficult for the Court to determine how he behaved when he reached the residence of Shedy.

He arrives there late at night, between the hours of nine and eleven o'clock; he had no business there, - he wanted nothing to eat, for he had left Fort Clark after supper, he wanted nothing to drink, for he had his liquor with him, he did not want to rest for the night, for he made no effort to stay there, it was then, mere wanton intrusion, in the night time, upon the premises of an unoffending, and peaceable citizen, disturbing his family,

They had retired to rest - demanding in a loud voice, and no doubt with all the emphasis of a drunken man, that he should have some eggs; and when refused, he demands that they shall be furnished, and proposing the alternative of money, or powder & lead. There is no member of the Court who can fail to understand the meaning of the accused; his language was nothing ^{RECORD DIVISION} ~~more~~ than a threat to Shady, that unless he furnished him with the eggs he would ~~be~~ ^{be} ~~coming~~ ^{coming} ~~to~~ ^{to} ~~rob~~ ^{rob} ~~him~~ ^{him} ~~at~~ ^{at} ~~night~~ ^{night}, and demanding a meal, would not have differed greatly from that of the accused on this occasion. His whole behavior is very fairly laid before the Court, and it is for them to determine whether it is conduct becoming an officer and a gentleman. This question whether difficult of solution, or capable of being easily determined, it is not my province to decide; but remains for the Court.

The 3rd Specification, under the 2nd Charge, has been sworn to by two witnesses, and neither of these witnesses have been proved unworthy of belief; and it is for the Court to determine whether they will credit them or not. Let all the surrounding circumstances be considered, and then let the Court determine.

It may be proper to remark, that the mere fact of a witness being unfriendly with the accused, does not render the witness unworthy of belief; it is a circumstance that the Court may weigh, but of itself it is not sufficient to discredit any witness.

The 3rd Specification of the 2nd Charge is well sustained, and uncontradicted, by Parr; - the accused spoke in the hearing of Parr, a soldier, - he spoke in the heart of his camp; - and the defence proves that he speaks loud and distinctly; the other soldiers were lying around in hearing; and it is for the Court to determine

whether it was heard or not, and if heard, whether such remarks were prejudicial to good order and military discipline. The Confederate currency is the life blood of the Confederacy; - it is the source whence its soldiers receive their pay, and it must tend to demoralize a Company for one of its highest commissioned officers to declare that currency, in which they are paid, and upon which they depend for the scanty support of their families, in their absence, worthless.

The efficiency, skill &c, of the accused, as an officer, he and his counsel have deemed it necessary, in some sort, to put in issue before the Court. It is not my purpose to accept the issue thus tendered; but I may say that the evidence presented does not seem to me to reflect as much credit on the accused as may be supposed by his legal advisers; and were I so disposed, or were it at all necessary for a full understanding of the case, to bring his reputation, and character as an officer, to the test of rigid scrutiny, with the evidence before the Court, I would confidently meet him on the issue also.

Taking the view I do of the case, I am glad to be relieved from the necessity of discussing any further, the conduct or military character of the accused.
